

REMARKS

Claims 2, 6, 9 and 15 are now in this application.

Allowable Subject Matter

The Advisory Action dated August 16, 2006 indicates that claims 6, 9 and 15 are objected to. In the Office Action dated March 22, 2006, it was indicated that claims 6, 9 and 15 would be allowable if re-written in independent form and incorporating all the limitations of the base claim.

Accordingly, these claims have been so re-written and therefore are allowable. Claim 2 is dependent on claim 6 and thus for this reason at least is also allowable.

In view of the foregoing, allowance of the amended claims and passage to issue of the subject application is respectfully requested. If the Examiner should feel that the application is not yet in a condition for allowance and that a telephone interview would be useful, he is invited to contact applicants' attorney, **Jimmy Goo**, at **908-582-7886**.

Respectfully submitted,

David Lahiri Bhatoolaul
